

Public statement of data processing

The German Data Protection Act stipulates in § 4g BDSG that the data protection officer has to make available according to § 4e BDSG the following specifications to the public:

1. Name and address of the data controlling company:

Thomson Physicians World GmbH
Hauptstr. 161
68259 Mannheim

2. Managing Board:

Gregor Dalrymple
Richard Lawrence
General Manager / Prokurist: Dr. Edgar Ingold

3. Person in charge of data processing:

Dr. Edgar Ingold

4. Purpose of Data Collection, Processing or Use:

Thomson Physicians World GmbH is a globally acting company with the objective of providing services of education and information in the context of health care, e.g. strategic consulting, scientific communication and medical education.

We will only collect, process, store and use your personal data in order to achieve the aforementioned objectives.

5. Description of affected persons, respective data and data categories:

Personal data of employees, customers, suppliers, service providers and participants of events that are organised and/or implemented by Thomson Physicians World GmbH, if this data is necessary to achieve the objectives mentioned in section 4.

6. Recipients or categories of recipients to whom data can be disclosed:

Governmental authorities if there are compelling and superior laws in place, external service providers and contractors in accordance with § 11 BDSG "Collection, processing or use of personal data by an agent" to fulfil their service contracts with us, internal departments of Thomson Physicians World GmbH and financial institutions, insofar as they are commissioned with payment transactions. We will transfer personal data only to achieve the objectives mentioned in section 4.

7. Time limits for deletion of data:

After expiration of the different legal liabilities and time limits for storage, the respective data are deleted. If data are not covered by those regulations, they will be deleted when the objectives mentioned in section 4 are no longer valid.

8. Planned transfer of data to third countries:

We do not plan to transfer personal data to third countries. In case a transfer of data to third countries should become necessary to achieve the objectives mentioned in section 4, Thomson Physicians World GmbH will implement suitable measures to ensure that the data will be protected to the same degree as in Germany.
